What BATH graduates have to say:

“I have never been loved like this by anyone outside of my own family”

~

“The difference between BATH and other rehabs is the spiritual aspect which has taught me with God’s help to love myself, forgive myself and have confidence in my future.”

“I’m very grateful for the opportunity that BATH has given me. BATH has helped God reintroduce Himself to me in a non-distracted sort of way, which has shown me it was all part of His plan for me to find healing through faith. I am eternally thankful.”

“The BATH program has brought me closer to my family. This Christmas will be the first in 10 years we will all be together.”

~

“I believe God saved me from death, abuse, slavery... and brought me here. I know He has a plan for me.”
