

Intensive Care focuses on the person and finished work of Jesus Christ.

Your soul is like a garden. It was created and designed with much beauty by the Master Gardener and His Son, Jesus Christ.

Perhaps your garden has suffered from harsh weather conditions, pesky creatures, neglect and improper care. Today, you can invite Jesus Christ to help tend to your garden; to weed, prune, fertilize, and replenish it with good soil and new plants.

He has creative ways to help every garden thrive. He loves your garden and knows how to bring it into the full potential of its original design and beauty.

You can trust Him.

INTENSIVE CARE

Matthew 11:28-30

“Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light.”

INTENSIVE CARE

A safe way for people to get healed and set free from the inside out, so they can step into their true identity and destiny as a son or daughter of the Father.

WHAT IS INTENSIVE CARE?

Intensive Care is an inner healing prayer ministry that deals with deeply rooted issues such as addiction, anxiety, depression and trauma within a person's soul. The goal of Intensive Care is to identify and remove the source (i.e. a vow, ungodly belief, past experience) of the issue that is causing oppression, bondage and turmoil in a person's life.

Intensive Care was created to 'simplify' inner healing and deliverance ministry in order to equip, mobilize and disciple the greater body of Christ to do the work of the ministry (Ephesians 4:12).

Confidential sessions average 1 - 1.25 hours by 2-3 trained Facilitators. Intensive Care is not a counselling ministry.

DEEP CLEANSE SERIES

The Deep Cleanse Series is a specialized focus within the Intensive Care ministry. It uses a systematic approach to release healing over 5-6 sessions. It begins at conception and follows the client's chronological age and development up to the present time. This revelatory series is powerful for setting the captives free!

Inner healing is a journey that is expressed through healthy, interpersonal relationships.

Each client receiving an Intensive Care should be part of a body of believers who can provide support during the inner healing process.

DISCIPLESHIP INTERN PROGRAM:

The Intensive Care Intern Program provides teaching and clinical training. You can learn how to facilitate Intensive Care sessions with our seasoned Lead Facilitators. Please visit our website to apply.

DONATION & SPONSORSHIP:

A suggested donation is collected prior to the Intensive Care session. Anyone can provide Sponsorship for a client in need of Intensive Care. (i.e. churches, groups or individuals). Suggested donation amounts can be found on our website.
