Cinderella's Boutique open for business in Arthur

FOR THE ENTERPRISE NEWS EXPRESS

As you walk in, you notice the four chandeliers, the Cinderella dress in the front window, and the two glass slippers in the shop.

Beyond that, racks of lovely blouses, everyday dresses, formal wear, and even wedding gowns add to the atmosphere.

Cinderella's Boutique is now open from 11 a.m. until 5 p.m. on Tuesday to Friday, and from 10 a.m. until 4 p.m. on Saturdays.

The clothing is all strictly for women, and includes some new items like skin care, bras, underwear and socks, plus second-hand items like clothing and shoes. They also feature some jewelry — even tiaras for special occasions.

All of the items in the shop have been donated, including many of the fixtures, and the purpose of the shop is to raise money to support the ongoing operation and programming of the Beauty for Ashes Transformation House (BATH) project. This is a house for women in transition from living in the bonds of human trafficking or sexual slavery. More information on the issue can be obtained through the shop, or by contacting anyone at the Father's Heart Healing Ministries.

The shop is located at 149 George St. in Arthur and can be reached at 519-848-2220.
